

Love Quilts UK

Stitched with love ~ Wrapped in hope

A quilt
is more than
fabric...
It's a hug from
someone who
cares

Love Quilts UK is a world-wide group of volunteer stitchers and quilters who cross stitch squares for British children under the age of 19, who have life threatening or life-long illnesses.

The squares are then made into beautiful quilts which are given to the children with no cost to their families.
